You will be able to release all fear and doubt simply because you know that God gives you the strength. You can utilize this simple, proven technique to regain the lost comforts of joy, love, and fulfillment in your life. God's gift of life is too short to be exhausted on thousands of everyday anxieties and fears. Sadly, the average person will get to the end of their life and realize that more than half of it was spent struggling with these kinds of problems. Because they didn't know what to do, many of these people never found any satisfaction in life. You can and will become bigger than those struggles by enhancing the positive energy that God already has flowing within you. You are exactly who you think you are, and it's up to you to create those thoughts and manifest them as God's creation. No more lack of faith, motivation, and feelings of doubt in your life. No person can find happiness in an environment beyond his or her control. But you can get up, get out, and take control with God. Get what you want and desire from the world like millions of others around the globe using prayer. You are already blessed with the power to assert your own perceptions and transform your thoughts and desires into reality. By using prayer daily, you will unlock that natural potential that God placed inside of you. Prayer starts by creating a cycle of continuous prayers. You must believe and repeat these declarations and prayers each day. If the thoughts and ideas that we affirm are not true in reality, a dynamic tension is created between your perceived reality and your psyche. This presence of dynamic tension causes imbalance between your psyche and perceived reality. Your consciousness will work to get back in tune with the God's vision of the universe to resolve the tension. There are two simple

ways to ease this tension. You must work with God's creation in order to make your declarations become true, or you must stop the prayer. As you choose to continue praying, your mind and body will seek to balance this inequality with the universe by transforming your environment to match your declarations of truth. Sooner than later, you will find yourself taking positive and decisive action that you never imagined possible as your perceptions naturally align with your true reality. If you want to see positive change now, you'll find the quickest path to fulfillment with prayer through God's love. There is no time to spend on loss, negativity, and defeat when you can be achieving tangible, historically proven results with minimum time and effort invested. There is no limit to changes that God can make in your life through the power of creating truth with prayer... Read This Book To Change Your Life Today! Also available in Audiobook & Ebook Format

When Phyllis Tickle's marvelous devotional trilogy The Divine Hours™ appeared, readers responded with gratitude, praise, and a great many requests for an edition of hourly prayers that they could easily carry with them--an edition that would make this ancient form of Christian worship compatible with the pace and mobility of modern life. Now, in The Divine Hours Pocket Edition™, Tickle has gathered one full week of fixed-hour prayers, providing an ideal companion for travelers, office-workers, people on retreat or pilgrimage, as well as newcomers to this age-old spiritual practice. As Tickle writes in her introduction, "prayer is always a place as well as an action, and the daily offices are like small chapels or wayside stations within the day's courses." Seven of these daily offices are offered for each day of the week, and each office contains the Call to Prayer, the Request for Presence, the Greeting, the Reading, the Gloria, the Psalm, the Small Verse, the Lord's Prayer, the Petition, and the Final Thanksgiving. Tickle draws her texts primarily from the Book of Common Prayer and the writings of the Church Fathers, and includes memorable devotional and meditative poems by Cleland McAfee, Charles Wesley, and others. Tickle also provides a chapter of "Traditional, Seasonal, and Occasional Prayers" in order to accommodate special dates like Advent, Christmas, Easter, and Thanksgiving; major life-changes such as marriage, birth, death, and illness; and moments of special petition or thanksgiving. For all those who want to carry a "small chapel" of prayers with them, The Divine Hours Pocket Edition™ offers a convenient, easy-to-use, and deeply spiritual guide to a devotional practice that extends all the way back to Christ and the twelve Apostles.
