The general opinion is "Oh, they are too hard." Nothing could be further from the truth; once you learn the tricks they are essentially easier to do than the simple daily crosswords you struggle with every day in your daily newspaper. You don't have to be a university graduate. A second grader can handle cryptic-solving with the proper guidance. You can too, just by following the lessons in this book. Cryptic crosswords are addictive. Once you become interested in them you are hooked. Alcohol, drugs and tobacco are also addictive but these metaphorically fry your brain and destroy your health.
