*Riparia's River Aug 15 2022 When Gretchen, her twin brother Jason, their little sister Daphne, and a friend find their favorite swimming hole filled with green slime, they learn how the water became polluted and what can be done to clean it up.*

*Once a River Sep 04 2021 Like many rivers of the arid Southwest, the Gila is for much of its length a dry bed except after seasonal rains. Yet a mere century ago it hosted a thriving biological community, and two centuries ago American Indians fished from its banks. It is no mystery how the desert swallowed up the Gila. Beaver trapping, overgrazing, and woodcutting first ruined natural watersheds, then damming confined the last drops of its surface flow. Historical sources and archaeological data inform us of the Gila's past, but its bird life further testifies to the changes. Amadeo Rea traces the decline of bird life on the Middle Gila in a book that addresses the broader issue of habitat deterioration. Bird lovers will find*

*it a storehouse of data on avian migration patterns and on ornithological classification based on skeletal structure. Anthropologists can draw on its Piman ethnoclassification of birds, which links the Gila River tribe with various other Uto-Aztecan peoples of Mexico's west coast. But for all concerned with protecting our environment, Once a River offers evidence of change that might be apprehended elsewhere. It is a case history of a loss that perhaps need never have occurred.*

*What Is a River? Feb 21 2023 A river is a thread, embroidering our world. This non-fiction picture book brings attention to the rivers that stitch and thread our world together.*

*The River Apr 11 2022 NATIONAL BESTSELLER • From the best-selling author of The Dog Stars comes the story of two college students on a wilderness canoe trip—a gripping tale of a friendship tested by fire, white water, and violence. "A fiery tour de force ... I could not put this book down. It truly was terrifying and unutterably beautiful."—The Denver Post Wynn and Jack have been best friends since college orientation, bonded by their shared love of mountains, books, and fishing. Wynn is a gentle giant, a Vermont kid never happier than when his feet are in the water. Jack is more rugged, raised on a ranch in Colorado*

*where sleeping under the stars and cooking on a fire came as naturally to him as breathing. When they decide to canoe the Maskwa River in northern Canada, they anticipate long days of leisurely paddling and picking blueberries, and nights of stargazing and reading paperback Westerns. But a wildfire making its way across the forest adds unexpected urgency to the journey. One night, with the fire advancing, they hear a man and woman arguing on the fog-shrouded riverbank; the next day, a man appears on the river, paddling alone. Is this the same man they heard? And if he is, where is the woman? From this charged beginning, master storyteller Peter Heller unspools a headlong, heart-pounding story of desperate wilderness survival.*

*Ganga, a River of Civilisation Feb 15 2020*

*A Stretch on the River Mar 18 2020*

*Our Norwegian Ancestors of the Fox River Settlement Jul 22 2020 Norway received its name from the nearby rural community of settlers from Norway in the area known as the Fox River Settlement. The village was the center of Norwegian immigration dating to 1834. The settlers had in large part relocated from the Kendall Settlement in New York State which had been founded earlier by pioneers who arrived from Norway during 1825 aboard the Restauration. Norwegian-American pioneer*

**leader Cleng Peerson founded this second settlement in the Fox River Valley of Illinois.**

**The River Why Mar 10 2022 The classic novel of fly fishing and spirituality republished with a new Afterword by the author. Since its publication in 1983, The River Why has become a classic. David James Duncan's sweeping novel is a coming-of-age comedy about love, nature, and the quest for self-discovery, written in a voice as distinct and powerful as any in American letters. Gus Orviston is a young fly fisherman who leaves behind his comically schizoid family to find his own path. Taking refuge in a remote cabin, he sets out in pursuit of the Pacific Northwest's elusive steelhead. But what begins as a physical quarry becomes a spiritual one as his quest for self-knowledge batters him with unforeseeable experiences. Profoundly reflective about our connection to nature and to one another, The River Why is also a comedic rollercoaster. Like Gus, the reader emerges utterly changed, stripped bare by the journey Duncan so expertly navigates.**

**Once Upon a River Dec 15 2019 From the instant #1 New York Times bestselling author of the "eerie and fascinating" (USA TODAY) The Thirteenth Tale comes a "swift and entrancing, profound and beautiful" (Madeline Miller,**

*internationally bestselling author of Circe)*  
novel about how we explain the world to ourselves, ourselves to others, and the meaning of our lives in a universe that remains impenetrably mysterious. On a dark midwinter's night in an ancient inn on the river Thames, an extraordinary event takes place. The regulars are telling stories to while away the dark hours, when the door bursts open on a grievously wounded stranger. In his arms is the lifeless body of a small child. Hours later, the girl stirs, takes a breath and returns to life. Is it a miracle? Is it magic? Or can science provide an explanation? These questions have many answers, some of them quite dark indeed. Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl who died and lived again, yet as the days pass the mystery only deepens. The child herself is mute and unable to answer the essential questions: Who is she? Where did she come from? And to whom does she belong? But answers proliferate nonetheless. Three families are keen to claim her. A wealthy young mother knows the girl is her kidnapped daughter, missing for two years. A farming family reeling from the discovery of their son's secret liaison stand ready to welcome their granddaughter. The parson's housekeeper,

**humble and isolated, sees in the child the image of her younger sister. But the return of a lost child is not without complications and no matter how heartbreaking the past losses, no matter how precious the child herself, this girl cannot be everyone's. Each family has mysteries of its own, and many secrets must be revealed before the girl's identity can be known. Once Upon a River is a glorious tapestry of a book that combines folklore and science, magic and myth. Suspenseful, romantic, and richly atmospheric, this is "a beguiling tale, full of twists and turns like the river at its heart, and just as rich and intriguing" (M.L. Stedman, #1 New York Times bestselling author of The Light Between Oceans).**

**A Stretch on the River Jul 14 2022 In this largely autobiographical story, the lively and nonstop dialogue portrays the excitement, humor, and independence of a hard-working steamboat crew on the upper Mississippi.**

**The Moravian Indian Mission on White River  
Jan 08 2022**

**The Braided River Feb 26 2021 The Brahmaputra is by some margin the largest river in India. After its confluence with the Ganga in Bangladesh, it becomes the largest in Asia. In The Braided River, journalist Samrat Choudhury sets out to follow its braided course from the**

edge of Tibet where it enters India down to where it meets the Ganga at a spot marked by the biggest red light district in Bangladesh. Along the way, he meets suspicious Indian spies, gets packed off on the back of a cement truck by soldiers, visit a shelter home for baby rhino and elephant orphans in Kaziranga, and hops from river island to riverside town meeting the locals. The tales of these encounters spice up a story that weaves in the history of the emergence of the border between India and China in Arunachal Pradesh, the formation of the Assamese identity -- a matter of great contemporary relevance owing to the National Register of Citizens and the Citizenship (Amendment) Act -- and the ecological challenges posed by proposed dams. This is a genre-bending book that touches upon several hot-button issues -- environmental, military and political -- as it blends travel, memoir and history with the present.

*The War of 1812 on the Genesee River: A Documentary Journey* Nov 13 2019 During the War of 1812, the area along the Genesee River, both upriver around the modern city of Rochester and along the shores of Lake Ontario, never saw a battle, never had any significant military presence, and at best held only a minor level of strategic value. Despite these facts, the few inhabitants of

*this area faced constant threat of British plunder or invasion and had almost continuous 'visits' from both American and British forces during the extent of the war. Based on first hand accounts and primary source materials.*

*As a River Oct 17 2022 Greer Michaels has come home to tend to his dying mother-but this means reckoning with the ghosts of his past. Set in 1977 in a town mired in racial tensions, where family secrets are rooted in the traumatic history of the segregated South, As a River is a spare and lyrical exploration of the stories we tell ourselves in order to survive.*

*Peace Like a River Oct 05 2021 Hailed as one of the year's top five novels by Time, and selected as one of the best books of the year by nearly all major newspapers, national bestseller Peace Like a River captured the hearts of a nation in need of comfort. "A rich mixture of adventure, tragedy, and healing," Peace Like a River is "a collage of legends from sources sacred and profane -- from the Old Testament to the Old West, from the Gospels to police dramas" (Ron Charles, The Christian Science Monitor). In "lyrical, openhearted prose" (Michael Glitz, The New York Post), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his*

*sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, The Seattle Times) novel is a "perfect book for an anxious time ... of great literary merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, Detroit Free Press).*

*After River Mar 30 2021 Growing up in the 1960s on a dairy farm in the mountains of British Columbia, Natalie Ward knew little of the outside world. But she had her family. A family so close and loving that Natalie believed they were the envy of the nearby town of Wakefield - particularly her eldest brother Boyer, whom Natalie held especially close to her heart. But Natalie began to question her family's idyllic existence the summer she turned fifteen. The arrival of a soft-spoken stranger, an American draft-dodger called River, would test the morals and beliefs of the family and the community to breaking*

**point. The series of events following that summer day would leave relationships shattered and the Ward family changed forever.**

**How to Save a River Aug 23 2020 How to Save a River presents in a concise and readable format the wisdom gained from years of river protection campaigns across the United States. The book begins by defining general principles of action, including getting organized, planning a campaign, building public support, and putting a plan into action. It then provides detailed explanations of how to: form an organization and raise money develop coalitions with other groups plan a campaign and build public support cultivate the media and other powerful allies develop credible alternatives to damaging projects How to Save a River provides an important overview of the resource issues involved in river protection, and suggests sources for further investigation. Countless examples of successful river protection campaigns prove that ordinary citizens do have the power to create change when they know how to organize themselves.**

*from breast cancer in a remote cabin in North Carolina, Mia Landan finds the journal of Kate Watkins, a 1920s fly fisher, and, inspired by Kate's example, learns to fish and uncovers many secrets around her.*

*A River with a City Problem Apr 30 2021 When floods devastated South East Queensland in 2011, who was to blame? Despite the inherent risk of living on a floodplain, most residents had pinned their hopes on Wivenhoe Dam to protect them, and when it failed to do so, dam operators were blamed for the scale of the catastrophic events that followed. A River with a City Problem is a compelling history of floods in the Brisbane River catchment, especially those in 1893, 1974 and 2011. Extensively researched, it highlights the force of nature, the vagaries of politics and the power of community. With many river cities facing urban development challenges, Cook makes a convincing argument for what must change to prevent further tragedy.*

*Restless is the River Dec 27 2020 A story of pioneer life in the Sac Prairie region of Wisconsin from 1839 to 1850.*

*A River in the Trees Jun 01 2021 Two women. Two stories. One hundred years of secrets. A sweeping novel of love, loss, family and history for readers who love Maggie O'Farrell, John Boyne and Donal Ryan 'Thrilling,*

**thoughtful, passionate' Daily Mail 'Beautiful, unsentimental, intelligent' The Times 1919 Ireland is about to be torn apart by the War of Independence. Hannah O'Donovan helps her father hide rebel soldiers in the attic, putting her family in great danger from the British soldiers who roam the countryside. An immediate connection between Hannah and O'Riada, the leader of this hidden band of rebels, will change her life and that of her family forever . . . 2019 Ellen is at a crossroads: her marriage is in trouble, her career is over and she's grieving the loss of a baby. After years in London, she decides to come home to Ireland to face the things she's tried so hard to escape. Reaching into the past, she feels a connection to her ancestor, the mysterious Hannah O'Donovan. But why won't anyone in her family talk about Hannah? And how can this journey help Ellen put her life back together? 'A gripping novel about two women, their desires and frustrations, about the wars they find themselves fighting . . . a thrill to discover' Belinda McKeon 'A fierce, beautifully written story' Louise O'Neill**

**European settlers were able to combat pollution and restore the beauty of the Nashua River in Massachusetts.**

**Our National River Ganga Dec 07 2021 There is a plethora of information available on the river Ganga in the form of books, blogs, articles, websites, videos. Unfortunately, most of the information about this famous river is in a scattered form and reproduced from unverified sources. This contributed volume is the first multi-author volume publication on this subject. The River Ganga includes a vast array of topics written by several authors of distinction. Topics include; hydrology, tributaries, water uses, and environmental features such as river water quality, aquatic and terrestrial flora/fauna, natural resources, ecological characteristics, sensitive environmental components and more. Part I gives a basic introduction of the Ganga river. The existing data and available information from various sources has been compiled in a pictorial fashion in the form of maps. Its cultural importance with changing times is also discussed. Part II looks at the rich biodiversity of the Ganga Basin. It gives a detailed description of the major floral and faunal biodiversity with special emphasis on the national aquatic animal dolphin and Sunderbans, the largest mangrove wetland in**

*the world. Part III examines 'The Ganga Water as it flows'. It focuses on the water quality as well as its associated challenges. Part IV looks at the complexities of issues confronting the river 'Ganga in changing times' be it snowmelt runoff, river bank erosion hazards and hydropower assessments; how the factors of population, poverty and pollution contribute to the fate of the river. Part IV touches on economic aspects derived from the river such as business opportunities and tourism.*

*The Singapore River Sep 16 2022 Blending social history, geography, economic history and urban studies, Stephen Dobbs sets out the history of the Singapore river and of the people who made it their home and workplace. This text should be of interest to anyone wishing to understand Singapore's numerous transformations.*

*—Entertainment Weekly A Winner of the New York Times/New York Public Library Best Illustrated Children's Books Award There's a river outside my window. Where will it take me? So begins the imaginary journey of a child inspired by the view outside her bedroom window: a vast river winding through a towering city. A small boat with a single white sail floats down the river and takes her from factories to farmlands, freeways to forests, out to the stormy and teeming depths of the ocean, and finally back to the comforts—and inspirations—of home. This lush, immersive book by award-winning picture book creator*

**Marc Martin will delight readers of all ages by taking them on a transcendent and aspirational journey through an imaginative landscape. "A subtle study of how imagination allows children to safely explore the unknown without ever leaving home." –Publishers Weekly**

**A Tricentennial Anthology of South Carolina Literature, 1670-1970 Feb 09 2022**

**A Foot in the River Jan 20 2023 We are a weird species. Like other species, we have a culture. But by comparison with other species, we are strangely unstable: human cultures self-transform, diverge, and multiply with bewildering speed. They vary, radically and rapidly, from time to time and place to place. And the way we live – our manners, morals, habits, experiences, relationships, technology, values – seems to be changing at an ever accelerating pace. The effects can be dislocating, baffling, sometimes terrifying. Why is this? In A Foot in the River, best-selling historian Felipe Fernández-Armesto sifts through the evidence and offers some radical answers to these very big questions about the human species and its history – and speculates on what these answers might mean for our future. Combining insights from a huge range of disciplines, including history, biology, anthropology, archaeology, philosophy, sociology, ethology, zoology,**

*primatology, psychology, linguistics, the cognitive sciences, and even business studies, he argues that culture is exempt from evolution. Ultimately, no environmental conditions, no genetic legacy, no predictable patterns, no scientific laws determine our behaviour. We can consequently make and remake our world in the freedom of unconstrained imaginations. A revolutionary book which challenges scientific assumptions about culture and how and why cultural change happens, A Foot in the River comes to conclusions which readers may well find by turns both daunting and also potentially hugely liberating.*

*Proceedings of the Annual Meeting - Upper Mississippi River Conservation Committee May 20 2020 These annual proceedings discuss Mississippi River conservation and management issues, ongoing research, and UMRCC projects.*

*Keep the River on Your Right Jun 13 2022 In 1955, armed with a penknife and instructions to keep the river on his right, Brooklyn-born artist Tobias Schneebaum set off into the jungles of Peru in search of a tribe of cannibals. Forgoing all contact with civilization, he lived as a brother with the Akaramas -- shaving and painting his body, hunting with Stone Age weapons, sleeping in the warmth of the body-pile.*

*All Along the River Nov 25 2020 Join this delightful river journey through forests, farms, waterfalls, and harbors.*

*The River at Night Jan 16 2020 Stifled by a soul-crushing job, devastated by the death of her beloved brother, and lonely after the end of a fifteen-year marriage, Wini is feeling vulnerable. So when her three best friends insist on a high-octane getaway for their annual girls' trip, she signs on, despite her misgivings. A freak accident leaves the women stranded, separating them from their raft and everything they need to survive. When night descends, a fire on the mountainside lures them to a ramshackle camp that appears to be their lifeline. But as Wini and her friends grasp the true intent of their supposed saviors, long buried secrets emerge and lifelong allegiances are put to the test.*

*A River for Christmas, and Other Stories Sep 23 2020 The author describes his experiences fishing in Norway, New Zealand, Chile, Montana, and Wisconsin*

*Over in a River Nov 18 2022 Learning becomes fun for everyone in this book about the geography of north American rivers and about the animals that live in this habitat. The amazing artwork in this book will inspire kids in classrooms and at home to appreciate the world around us! The great rivers of North*

***America are teeming with life and on the pages of Over in a River—from blue herons in the Hudson to salmon in the Columbia, and from dragonflies in the Rio Grande to mallards in the St. Lawrence. Children will "slither" like water snakes and "slide" like otters while singing to the tune of "Over in a Meadow." Read about the snake, beaver, frog, otter, dragonfly, and more that lives along the rivers! Kids love counting books, too! What a delightful way to learn about riparian habitats and geography at the same time! Backmatter Includes: Further information about rivers and the animals in this book! Music and song lyrics to "Over in the River" sung to the tune "Over in the Meadow"!***
