'The Ant and The Grass Hopper' is a fable that teaches the importance of planning, of self-reliance and hard work. The frolicking grass hopper spends his summer dancing and never working while the ant makes sure to put aside supplies for the coming winter. It is a tale that resonates to this day thanks to its important message of the importance of hard work as well as having fun. It is great reading for all ages on the importance of being able to plan and support yourself. Aesop's fables feature animals, legendary creatures, plants, inanimate objects, or forces of nature that speak, solve problems, and generally have human characteristics. All the stories story lead to a particular moral lesson. Aesop (620-564 BCE) was a Greek story teller and fabulist who's collection of fables continue to resonate and be taught to this day. His work is characterised by animals and inanimate objects with distinctly human traits, that speak and solve problems. None of his original work survives to this day, it is thanks to his popularity that his works survive in sources from Aristotle, Plutarch and Herodotus. Little is known about him but ancient stories describe him as an exceptionally ugly slave who, thanks to his cleverness, acquired his freedom, becoming an advisor to Kings and city-states. Fabulous Fables are a beautifully illustrated story-time treat. Told in easy language for early reading, these tales are sure to delight little ones every time! Aesop's Fables is a collection of the five best known fables by the famous storyteller Aesop. Full of wit and wisdom, these stories are a must read for every child. Introduce young readers to the captivating world of classic tall tales with this easy-to-read series. These timeless stories have been updated with a contemporary feel that appeals to today's reader. Simple versions of more than sixty fables use animals to teach lessons about wise and foolish human behavior. John Cech's retelling of the classic fables. These stories are about life lessons and making choices. An animated version of Aesop's fable about a happy-go-lucky grasshopper who sings and plays all summer while the ant steadily gathers food for winter. When winter finally comes the grasshopper learns that it is best to prepare for the days ahead. For elementary grades. A grasshopper who sings and dances all summer while the ants diligently gather food, winds up cold and hungry when winter arrives. A retelling of Aesop's fable about a colony of industrious ants which busily prepares for the approaching winter while a grasshopper makes no plans for the cold weather to come. Designed to be used by children in their first six months of school PM Starters One and Two Retells the fable about an industrious ant that busily prepares for the approaching winter while a grasshopper makes no plans for the cold weather to come. In this Classic Fable in Rhythm and Rhyme, a cheerful grasshopper asks an ant to come and play. But the ant is too busy preparing for winter. What will the grasshopper do? Find out when you sing along to The Ant and the Grasshopper Includes online music access. **THE ANT & THE GRASSHOPPER - Aesop's Fable - by Robin Gilmore - Illustrated by Eugenia Meli - A GUNSTON CLASSIC - Hope for the best, but be prepared for the worst.** In this delightful Aesop's Fable a silly grasshopper dances all summer while the ant stored food for the cold snowy winter. A gentle lesson taught in verse by Robin Gilmore with charming colored illustrations by Eugenia Meli bring joy and pleasant dreams to little listeners and readers. Ages 3-5 - A Gunston Classic The Grasshopper and the Ant ***** When you work all summer to save up your crumbs You'll have no worries when winter time comes. *** About Aesop's Fables Who was Aesop, and why are his fables famous all over the world? In fact, very little is known about this mysterious Ancient Greek figure. He is thought to have been a slave originally from Africa, but even that isn't known for certain. But his stories, with their talking animals and simple moral lessons, have been popular for thousands of years. They have been translated into almost every language and were among the first books to be printed when the printing press was invented in the 1400s. The most famous Aesop's Fable is probably the story of The Hare and the Tortoise, with its message that "slow and steady wins the race." Children everywhere have grown up loving these delightful short tales, learning and growing through their bond with these timeless classics. I grew up enjoying many of Aesop's fables and I'm excited to share them with you here in my own style, a little more contemporary and told in rhymes to make them fun to read and listen to. I hope you and your kids will love sharing these stories and learning from their messages just as much as I always have. Summer is all fun and games for the grasshopper, but he's forgetting something important: winter is coming. Meanwhile, the ant is

working hard to prepare. What will the cold months bring for these two bugs? This retelling of Aesop's famous fable shows readers the importance of time management and responsibility. Readers will see how the ant's good work ethic pays off, while the grasshopper still has a lot to learn. Endearing illustrations bring these two relatable characters to life. Even reluctant readers will enjoy this classic story and its touching moral of friendship and hard work. Many creatures are helped when two animals refuse to conform to the laws of the jungle. Of all the animals the elephant rescues, only the tiny ant returns the favour. All of the animals are afraid of the Selfish Crocodile - he never let's them into his river, and he's always so snappy! And so when the Selfish Crocodile finds himself in terrible pain, no-one wants to help him - after all, what if he gobbles them up? But, to everyone's surprise, there is one animal in the forest who is willing to help . . . A brilliant tale of friendship, The Selfish Crocodile has become a picture book classic. In this stunning companion to the Caldecott Medal-winning *The Lion & the Mouse* and the highly acclaimed *The Tortoise & the Hare*, a playful grasshopper wonders why the busy ants around him won't join in his merrymaking as the seasons pass by. But when winter arrives, he soon sees the value of his friends' hard work--just as the ants learn the value of sharing what they've worked for. Featuring a striking, surprise gatefold page, this third book in Jerry Pinkney's gorgeous trilogy of picture book fables subtly suggests a resonant moral: Don't put off for tomorrow what you can do today. A grasshopper who sings and dances all summer while the ants diligently gather food, winds up cold and hungry when winter arrives. Designed to be used by children in their first six months of school PM Starters One and Two An ant saved from drowning by a dove returns the favor when the dove is in danger. On board pages. Ant and Grasshopper can't agree over how to spend the summer. Who will be right when winter comes? Part of the Usborne Reading Programme developed with reading experts at the University of Roehampton, specially written for children just starting to read alone. This ebook includes audio and reading-related puzzles. "Crack reading and make confident and enthusiastic readers with this fantastic reading programme." - Julia Eccleshare A new "green" series!: Little Green Books will educate children on what they can do to be more eco-friendly. The books in this line will be made from recycled materials, and the storylines will cover subjects such as improving the environment, learning about endangered animals, recycling, and much more. Meet Max the Little Monster. He is a cute, furry green monster who is an environmental nightmare. Among other things, he leaves on all the lights, keeps his computer plugged in, blasts the TV, hoards his old toys and uses so much toilet paper it clogs the toilet until finally, his excessive ways cause a power outage. With no TV to watch, computer to play on, video games to play with, Max finds there is a whole big world outside that he can make a difference in the environment. Kids can follow Max the Little Green Monster's journey to environmental awareness and learn tips on how they can become little green monsters themselves. A kid-friendly glossary of terms is included in the back of the book. This 8x8 paperback is perfect bound and will be printed on 100% post-consumer waste recycled paper with soy-ink. The paper is FSC certified. The cricket spends the warm summer days playing and singing while the ant collects food. What will happen when winter comes? In 1489 Johan Hurus printed the first collection of fables in Spain, *Lavida del Ysopetconsusfabulas hystoriadas*. Illustrated with nearly 200 woodcuts, this work quickly became the most-read book in Spain, beloved of both children and adults. Reprinted many times in the next three centuries and carried to the New World, it brought to Spanish letters a cornucopia of Aesopic fables, oriental apologues, and folktales that were borrowed by such writers as Cervantes, Lope de Vega, and especially the fabulists Iriarte and Samaniego. John Keller and Clark Keating now present the first English translation of this important literary work. The Latin and German lineage of *La vida* was significant, for it placed Spain in the mainstream of European fable lore. The highly fictitious life of Aesop, the misshapen Greek slave who reached the highest social level, contributed to the development of medieval romance and the picaresque novel. The book is thus important to students of comparative literature, literary history, and the development of the Spanish language. Of equal value are the woodcuts, which depict the daily life of medieval Europe and contribute to a better understanding of fifteenth-century art history, bookmaking, natural history, and the visualization of narrative. *La vida del Ysopet* thus constitutes one of the finest concordances of text and illustration in European literary history. As the ants work all summer and fall to prepare for winter, grasshopper dances and plays. When winter comes, grasshopper is cold and hungry and it's the ants turn to play. Find the moral to Aesop's fable in the easy-to-read, brilliantly illustrated *Short Tales Fable The Ants and the Grasshopper*. *Short Tales* is an imprint of Magic Wagon, a division of ABDO Publishing Group. Grades 1-4. All summer long, Ant carries out the very serious business of gathering food for the winter, while carefree Grasshopper sings the days away, but Grasshopper ends up in trouble when a dreadful winter storm arrives. A simple retelling of a favourite Aesop fable. Grasshopper thinks Ant should stop working so hard and just enjoy the hot summer. But what will happen when the cold winter comes?
