**The Shadow of the Gods Feb 22 2023 "A masterfully crafted, brutally compelling Norse-inspired epic."
—Anthony Ryan **THE GREATEST SAGAS ARE WRITTEN IN BLOOD.** A century has passed since the gods fought and drove themselves to extinction. Now only their bones remain, promising great power to those brave enough to seek them out. As whispers of war echo across the land of Vigrid, fate follows in the footsteps of three warriors: a huntress on a dangerous quest, a noblewoman pursuing battle fame, and a thrall seeking vengeance among the mercenaries known as the Bloodsworn. All three will shape the fate of the world as it once more falls under the shadow of the gods. Set in a brand-new, Norse-inspired world, and packed with myth, magic, and vengeance, *The Shadow of the Gods* begins an epic new fantasy saga from bestselling author John Gwynne.**

Vol 1: Repentance: The Doctrine of God and the Knowledge of Salvation (in the Old Testament) May 21 2020 This work is written with a law enforcement officer's investigative mindset and from the perspective of a prisoner. I discovered through a survey of Christian bookstores that no books were exclusively on or about repentance, but most only touched on the topic. The only author who had anything to say about repentance beyond a mere mention was Charles G. Finney in Finney's Systematic Theology. This 600-page work transformed my thinking and influenced my investigation. This book discusses spiritual leadership without bashing any spiritual leader. It points out carnality without castigating any particular ministry or denomination. Hundreds of illustrations will familiarize the reader with revelations about repentance and carnality. These

illustrations, like parables, contain revolutionary truths that are true to Scripture, reason, and life, so that Repentance: The Doctrine of God may become one harmonious revelation! Warning: As you read this book, you will encounter deep-seated carnality residing within the blackened depths of your soul, and it will not want to be exposed! But take heart? Almighty God will accompany you on this journey for the complete regeneration of your soul.

The Land of Gods Dec 16 2019 Invoking a spiritual as well as a physical journey to an exotic, distant land, The Land of Gods features a collection of photographs by Patrice Delmotte. The works capture the beliefs, ceremonies, and rituals of Bali. The photos awaken the senses, presenting a photographic promenadecapturing the smell of the incense, the music of the gamelan, and the smiles and gestures of friendship the Balinese are proud to extend. Influenced by Sebastio Salgado, Delmotte offers an aesthetic research of light and more particularly of the light of his youth, the clear-obscure so popular to the Flemish painters. The Land of God effectively captures the photographers deep passion and love for Asia.

The Children of Gods and Fighting Men Jan 29 2021
The first in a gripping new historical fantasy series that intertwines Irish mythology with real-life history, The Children of Gods and Fighting Men is the thrilling debut novel by Shauna Lawless. They think they've killed the last of us... 981 AD. The Viking King of Dublin is dead. His young widow, Gormflaith, has ambitions for her son--and herself--but Ireland is a dangerous place and kings tend not to stay kings for long. Gormflaith also has a secret. She is one of the Fomorians, an immortal race who can do fire-magic. She has kept her powers hidden at all costs, for there are other immortals in this world--like the Tuatha Dé Danann, a race of warriors who are sworn to kill Fomorians. Fódla is one of the Tuatha Dé Danann with the gift of healing. Her kind dwell hidden in a fortress, forbidden to live amongst the mortals. Fódla agrees to help her kin by going to spy on Brian Boru, a powerful man who aims to be High King of Ireland.

She finds a land on the brink of war--a war she is desperate to stop. However, preventing the loss of mortal lives is not easy with Ireland in turmoil and the Fomorians now on the rise... "An effortless combination of history, fantasy and myth, The Children of Gods and Fighting Men enraptured me from start to finish. Rife with atmosphere and armies, magic and compelling characters, it swept me along and refused to be put down. I simply loved it, and I cannot wait for Lawless's next work."

The Face of Apollo Aug 04 2021 In fine form, Saberhagen turns to a world that recalls (and may actually be) that of his Swords series. The ancient classical gods have returned but are at war among themselves, and this yarn opens with a battle to the death between Apollo and Hades. Although Hades appears the victor, the face of Apollo is carried off by one of the sun god's human votaries. It ends up entering the body of 15-year-old Jeremy Redthorn, turning him into an avatar of Apollo who possesses many attributes of the god. That ... gives him the power to summon swarms of bees against his enemies, but it also imposes responsibilities equal to the new powers and thrusts him forcibly into the front lines of the cosmic battle of good and evil. Saberhagen offers classical scholarship, wit, and brisk pacing in an admirable coming-of-age story that should appeal even to readers unfamiliar

with the Swords books and attract Swords-familiar readers in swarms. Roland Green --

The Fear of God in 2 Corinthians 7:1 Oct 06 2021
Euichang Kim focuses upon the phrase “the fear of God”, drawn from 2 Corinthians' exhortation to reconcile with God. As opposed to these words appearing from no particular source, Kim points to the wider contexts of Old Testament passages quoted by Paul, and demonstrates that God's eschatological promises - in particular his coming judgment, his promise to redeem his people, and the prospect of a new covenant - are intertwined with this motif of “fear”. Beginning with an analysis of the meaning of fear in both the Old Testament and the New, Kim proceeds to the context of fear within 2 Corinthians, Scripture, the writings of Second Temple Judaism and the very eschatology of Paul, suggesting that it stems from an awareness of God's judgment to come and serves to motivate righteous behavior. Kim finally argues that, in the context of 2 Corinthians, the “fear of God” functions as the proper response to God's saving acts in Christ, and provides motivation for believers to pursue a holy life in anticipation of the eschatological judgment to come.

Pastor Donatien, ThM., a former SE.MI.PI. (a cadet in the Malagasy Army), a one-time Ankaramalaza middle school teacher, a notable former pastor's assistant, and a charismatic, successful former senior pastor of Ankaramalaza—the center of one of Madagascar's four major revival movements which was founded in 1941 by Christ Jesus through His servant, Prophetess Mama Volahavana Germaine, also known as Mama Nenilava, his wife's grandmother. The prophetess's ministry, during the ministry's annual celebration, attracts over twenty thousand attendants from all over Madagascar and***

some from abroad—who are mostly Christians but some are non-Christians. Donatien struggled with homosexuality at such an early age, he could not recall when he began practicing it, which led to a masturbation addiction. As a teen, he was afraid to sleep with girls but was determined to be a husband, so he pushed himself to have girlfriends and even managed to force himself to have sex with a few of them. In 1983, Jesus saved him in a miraculous way and called Donatien to be an ordained pastor, specifically in the Malagasy Lutheran Church, and began to burden his heart with a desire to bring the message of the cross to those who are lost and to help those who are affected by homosexuality. Pastor Donatien never returned to homosexuality but struggled with masturbation off and on until Jesus delivered him from it once and for all, over a decade later. Married in 1987, he and his lovely wife, Claire, have one precious granddaughter and five wonderful grown children—a daughter and four sons, her younger brothers. Through divine experiences, the outpouring of the Spirit of the Living God, and the speaking in tongues marvel, the Lord Jesus guided the anointed and fiery preacher to write this series for the world—to help the living and the future generations as the end of time and its undeniable global challenges and apocalyptic plights are fast approaching us. Pastor Donatien, after spending

more than a quarter of a century of preparation, of which over five of those years he spent day and night, seven days a week, 365 days a year doing nothing else but solely writing during which their three noble, amazing, younger sons completely assisted him in whatever the undeserved divine task may require and, also, having his dear wife's full support, finally, he finished penning down **GOD'S COOK BOOK - 1 recipe 4 ALL: YOUR MESS + HIS GRACE - MENU: GOD'S GLORY - VOILÀ: EVEN DELIVERANCE FROM HOMOSEXUALITY - REJOICE! Surprisingly, long ago, some folks asked, "Can there any good thing come out of Nazareth? (John 1:46). Technology of the Gods Jun 14 2022 Technology of the Gods lays out the mind-bending evidence that

long-lost civilizations had attained and even exceeded our "modern" level of advancement. Westerners have been taught that humankind has progressed along a straight-line path from the primitive past to the proficient present, but the hard, fast evidence (literally written in stone!) proves that the ancients had technologies we cannot even replicate today.

The Old Testament in the Life of God's People Jul 23 2020 This book celebrates the contributions to Old Testament theology of Elmer A. Martens, President and Professor of Old Testament at Mennonite Brethren Biblical Seminary, Fresno, California (both positions now Emeritus). It includes 3 essays written by Martens himself, as well as 15 others written by his former students, colleagues, friends, and even one of his professors! A biographical sketch, a list of the honoree's varied publications, and indexes are included. Martens has had a productive career as teacher, author, and preacher--a career spanning almost six decades and five continents. After 40 years of seminary teaching, Elmer is known to many as professor. He taught his signature class, Old Testament theology,

from 1968 to 2004 at Mennonite Brethren Biblical Seminary, shaping an entire generation of preachers and Bible teachers. Conversations with God for Teens Jan 17 2020 Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling Conversations with God series had another conversation. Conversations with God for Teens is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. Conversations with God for Teens reads like a rap session at a church

youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. Conversations with God for Teens is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

Fingerprints of the Gods Feb 27 2021 Could the story of mankind be far older than we have previously believed? Using tools as varied as

archaeo-astronomy, geology, and computer analysis of ancient myths, Graham Hancock presents a compelling case to suggest that it is. “A fancy piece of historical sleuthing . . . intriguing and entertaining and sturdy enough to give a long pause for thought.”—Kirkus Reviews

In *Fingerprints of the Gods*, Hancock embarks on a worldwide quest to put together all the pieces of the vast and fascinating jigsaw of mankind’s hidden past. In ancient monuments as far apart as Egypt’s Great Sphinx, the strange Andean ruins of Tihuanaco, and Mexico’s awe-inspiring Temples of the Sun and Moon, he reveals not only the clear fingerprints of an as-yet-unidentified civilization of remote antiquity, but also startling evidence of its vast sophistication, technological advancement, and evolved scientific knowledge. A record-breaking number one bestseller in Britain, *Fingerprints of the Gods* contains the makings of an intellectual revolution, a dramatic and irreversible change in the way that we understand our past—and so our future. And *Fingerprints of God* tells us something more. As we recover the truth about prehistory, and discover the real meaning of ancient myths and monuments, it becomes apparent that a warning has been handed down to us, a warning of terrible cataclysm that afflicts the Earth in great cycles at irregular intervals of time—a cataclysm that may be about to recur.

“Readers will hugely enjoy their quest in these pages of inspired storytelling.”—The Times (UK)

fact, dirt might actually be more useful than Willa. Her life will be one of servitude to the sols, the magic-blessed beings who could one day be chosen to become gods. At least her outer village is far removed from the cities of the sols, and she won't ever be forced to present herself to them... Until one small mistake changes everything, and Willa is awarded a position to serve at Blesswood, the top sol academy in the world-a position that she definitely did not earn. Under the sudden, watchful eye of the gods, she will be tasked to serve the Abcurse brothers, five sols built of arrogance, perfection and power. They are almost gods themselves, and under their service she is either going to end up sentenced to death, or else they are going to ruin her so badly that she will wish for it. Either way, she is in trouble. This is a full novel, 90,000 words. Book 1 of 5 in the Curse of the Gods Series
