A number of stories, poems, and song texts which demonstrate that people can choose to do or be whatever they desire. Author's views on life. Join Greg, a young boy with Asperger's syndrome (AS), as he tells us all about the world as he sees and experiences it. We learn about all the things he loves, including his routine and numbers, as well as his special interest in batteries (he even has a rectangular one!). Greg also tells us about the things that he finds challenging, from a change in his beloved routine to reading facial expressions, and how these things can sometimes leave him upset and overwhelmed. By explaining the way he feels and how best to calm him down when it all gets too much, Greg helps us to understand AS and how it affects the way he views the people and objects around him. With comprehensive sections for parents and professionals on AS and the impact it can have on the family unit and life in the wider community, this charmingly illustrated book helps to increase awareness and understanding of Asperger's syndrome. It will be of interest to families of

children with autism spectrum disorders, as well as teachers and other professionals working with children on the autism spectrum. Features information for teenagers regarding sexual orientation, compiled by New Directions for Life Ministries--Toronto, Inc. in Canada. Contains FAQs, narratives, and additional resources. From the bestselling creators of Giraffes Can't Dance comes a delightful story about an elephant looking for a place where he belongs. It's time for the Elephant Games! Every young elephant parades their talent in front of the king to earn their special elephant name. But Num-Num doesn't have a special skill to display. With a little help from some familiar friends, will this little elephant learn that being yourself is the most important talent of them all? Readers will love seeing some of their favorite characters from Giraffes Can't Dance return. Free to Be Elephant Me is perfect for family sharing and for teaching young readers about the importance of being yourself. A fun-filled, rhyming book celebrating bodies of all kinds, from Emma Dodd, the bestselling author-illustrator of Forever and Sometimes. Thank you, hands, you touch and hold. Ears, you hear the things I'm told. Thank you, eyes, you let me see. Oh, I'm so happy to be me! Emma Dodd's simple, heartfelt story offers children and their parents a way of talking easily, and with gratitude, about their bodies and the wonderful things they can do. This is the perfect way to build body confidence and self-esteem in even the youngest children! 'With simple, rhyming text and bright, colourful artwork, this delightful picture book ... reminds us that each and every body is different, with its diverse cast of young friends including a wheelchair-user, a child with a hearing aid and characters with glasses. Another success from the bestselling author-illustrator' BookTrust Look out for these other amazing books from Emma Dodd (written by Giles Andreae): I Love My Mummy I Love My Daddy I Love My Grandma I Love My Grandad I Love My Teacher Scribble your feelings and feel your true self in a technicolor guide to being the happiest you, discovering LGBTQ+ history, and making your own queer mark on the world.

Complete with hilarious and thoughtful color illustrations, readers are encouraged to explore their own story with writing prompts and empowering activities coupled with important stories of LGBTQ+ history from antiquity to the present. No self-respecting young adult will want to put this book down . . . and if they don't have self-respect yet, this book will challenge them to dig deep and find it. This is the perfect gift for the out-and-proud set, anyone peeking their head out of the closet, and friends and allies alike. Lucas is all alone. Since his mum died, Lucas and his dad don't seem to understand each other at all. And Lucas is dreading the summer drama club that his dad has signed him up for. But the people Lucas meets at the club force him to open up and start talking. Can his new-found friends teach Lucas how to be himself? A beautiful, moving story of family, friendship and self-discovery, from the author of the high-acclaimed novels *Ella on the Outside* and *Not My Fault*. If life is about the journey and not the destination, could it be that this is heaven —this physical life we are living here on Earth? What we experience in our daily lives often feels like anything but heaven. But what if we understood how powerful we are —that we are powerful enough to mold both our internal and our external reality? Anita Moorjani, the New York Times bestselling author of *Dying to Be Me*, is convinced we can do exactly that. The process, she explains, requires dismantling many cultural myths mistaken for indisputable truths. Beliefs such as "We get what we deserve," "Loving ourselves is selfish," and "Coincidences are just that —coincidences," are ingrained within us from birth, pervasive and influential, leading to generations of misguidance. Following her near-death experience, Moorjani began to embody truths she learned in the other realm, discovering that letting go of these outmoded myths allowed her to experience heaven not as a physical place but as a state of mind, right here and right now. In this examination of our common myths, she shares stories and examples from her own life, revealing the lies beneath the surface of what she was taught and absorbed. By freeing ourselves

from these falsehoods, Moorjani asserts, we can leave fear, heartache, and self-imposed boundaries behind and instead live lives full of purpose and joy. Helping children develop good self-esteem means helping them simply be themselves. It means letting them know how loved and cherished they are—just because of who they are. The elfin friends in this colorful book lead the young reader through a process of self-discovery: exploring uniqueness, building a healthy self-image, and preparing for challenging situations. Every child in the world is special, gifted, and wonderful. And each one deserves to feel “happy to be me”! This honest and upbeat book will bring real help and understanding.

"Hattie Hoffman has spent her whole life playing many parts: the good student, the good daughter, the good girlfriend. When she's found brutally stabbed to death, the tragedy rips right through the fabric of her small-town community. Full of twists and turns, *Everything You Want Me to Be* reconstructs a year in the life of a dangerously mesmerizing young woman, during which a small town's darkest secrets come to the forefront, and she inches closer and closer to her death."-- Colin doesn't want to go to school, a place where you are supposed to learn and thrive. Being bullied has caused him to stop talking to his teachers and classmates. Fear, loneliness, and sadness grips Colin. How does he tackle this serious issue? *Free To Be Me* follows Colin on his journey of triumph. A humorous and heartwarming picture book from legendary musician Chris "Ludacris" Bridges about the special bond between father and daughter. Karma and her daddy love to make music together! Karma sets up the rhyme and daddy finishes it. Together, they're the perfect team! But when it's time for Karma to write her daddy a rap for his birthday all on her own, she can't quite make it perfect. What rhymes with banana anyway? Told with heart and humor, Karma soon realizes that she never has to do anything alone as long as she has daddy by her side. *Good to be Me* celebrates our differences and gives parents the opportunity to have an open conversation with their kids about disabilities, race, body types, and

more. This book is about design built environments for young children and what architecture can offer early learning. In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down—overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks—without a trace of cancer in her body! Within these pages, Anita recounts stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she defied all medical knowledge. As part of a traditional Hindu family residing in a largely Chinese and British society, Anita had been pushed and pulled by cultural and religious customs since she was a little girl. After years of struggling to forge her own path while trying to meet everyone else's expectations, she had the realization, as a result of her epiphany on the other side, that she had the power to heal herself . . . and that there are miracles in the Universe that she'd never even imagined. In *Dying to Be Me*, Anita freely shares all she has learned about illness, healing, fear, "being love," and the true magnificence of each and every human being! This is a book that definitely makes the case that we are spiritual beings having a human experience . . . and that we are all One! Hypochondriac, neurotic and a habitual worrier, Ariel Leve has always looked on the blighted side of life. She counts it a good day if she manages to get out of bed. If someone should ask: what's the worst that can happen? she has a ready-made list and lives in permanent fear of what's to come. But at least, as a pessimist, she's fully prepared for any eventuality: people who see the glass half full are only a spill away from disappointment. Whether you've been dumped by the love of your life, lost your job, said the wrong thing at a party, or forgotten to have

children, Ariel is there to remind you that it could be worse ... you could be her. *I Want to Be Me* is an inspirational and heartfelt collection of poems. The realistic and distinctive stories the Poet chooses to share through her poetry makes this collection shine. The Poet's real and personal approach will make this book stand out amongst the innumerable volumes of cliché collections. A Poet who isn't afraid to tell it like it is. The Poet invites you to take a glimpse of her personal journey, and a place where you are not alone in your journey; she provides the gentle recognition of what encircles us all. It's the road we've walked that shows us how blessed we are to travel together. Be victorious in your life, live and love one moment at a time. Touch and embrace the light. Are you worried that to be happy and true to yourself means leaving those you love and the life you have behind? One of the reasons becoming ourselves takes so long and is so hard is because we have a deep fear of speaking our own truths. We have been conditioned to feel badly about who we are and guilty about what we want from life. One Sunday afternoon something happened to Chental that changes her forever. In *The Power of Now*, Eckhart Tolle refers to this shift as being in a State of Grace. Follow Chental as she takes you on her journey of self empowerment while including her husband and family. She learns to be a detective in her own life using her new abilities to detach, watch herself grow, and along the way explain what's happening to those she loves, so that they are not afraid, threatened or confused by her new actions. To get the full *Being With Our Feelings* experience, this book can be purchased alongside the guidebook. All books can be purchased together as a set, *Being With Our Feelings: Guidebook and Four Storybooks Set*, 978-0-367-77231-4. Meet Amelie, a girl who doesn't want to be who she is. As she ventures out on a walk one day, she comes across a tree, a flea, the sea, a pea and finally a bee - all simply being who they are. One by one, Amelie majestically attempts to become each character, but soon discovers how exhausting and painful it is trying to be anything other than yourself. Full of

enchancing illustrations and relatable characters, *I Don't Want to be Me*: supports emotional wellbeing through a greater sense of self-worth and self acceptance helps children to discover alongside Amelie, that being yourself is enough ends with a mindful reflection to help children explore and be with their feelings. This book is essential reading for teachers, parents, and anyone who wishes to help children feel heard, seen and accepted, just as they are. From the bestselling author duo behind *Can You See Me?* comes this exceptional portrayal of autism diagnosis with diary entries by 12-year-old autistic author Libby Scott. Taking place before *CAN YOU SEE ME?* and *DO YOU KNOW ME?* this standout prequel follows Tally through her autism diagnosis in her final year of primary school. From the author of the #1 New York Times bestseller *Wait for You* Do Teresa and Jase have a real shot at getting together or will life get in the way? Teresa Hamilton is having a rough year—she's in love with her big brother's best friend, but he hasn't spoken to her since they shared a truly amazing, mind-blowing, life-changing kiss. Then she got out of a terrible relationship. Now an injury is threatening to end her dance career for good. It's time for plan B: college. And maybe she'll have a chance to convince Jase that what they have together is real. Jase Winstead has a huge secret that he's not telling anyone—especially not his best friend's incredibly beautiful sister. Even though he and Teresa shared the hottest kiss of his life, he knows that his responsibilities must take priority. He certainly doesn't have time for a relationship. But it doesn't help that all he can think about is kissing the one girl who could ruin everything for him. As they're thrown together more and more, Jase and Teresa can't keep denying their feelings for each other. But a familiar danger looms and tragedy strikes. As the campus recovers, the star-crossed couple must decide what they're willing to risk to be together and what they're willing to lose if they're not. . . . Armah is a black British journalist, with a troubled soul and a questioning mind. Addicted to the need for approval, the desire for applause, bright lights and struggle,

she's also on a quest: a place of comfort and acceptance of her identity; black, British, Ghanaian and Afrocentric. Can she find a place of refuge in her travels and her profession? Who would you be without your daily addictions? How did you get addicted to your drug of choice? Who would you be if there were no applause, disappointment, injustice, discrimination or rejection? The one woman he wants is the one he cannot have. Former foster kid Sebastian Grant has leveraged his intelligence and hard work to become a pediatric heart surgeon. But not even his career success can erase the void he's tried so hard to fill. Then he meets high school teacher Leah Montgomery and his fast-spinning world comes to a sudden stop. He falls hard, only to make a devastating discovery--Leah is the woman his best friend set his heart on months before. Leah's a math prodigy who's only ever had one big dream--to earn her PhD. Raising her little brother put that dream on hold. Now that her brother will soon be college bound, she's not going to let anything stand in her way. Especially romance . . . which is far less dependable than algebra. When Leah receives surprising results from the DNA test she submitted to a genealogy site, she solicits Sebastian's help. Together, they comb through hospital records to uncover the secrets of her history. The more powerfully they're drawn to each other, the more strongly Sebastian must resist, and the more Leah must admit that some things in life--like love--can't be explained with numbers. This is a practical workbook which takes the reader through a four-stage guided journey. This starts with a gentle exploration of thinking positively about where they are now, where they would like to be, what the next steps to making changes would be and an example model of how they could make those changes. This title offers opportunities to create a personal profile by identifying qualities and achievements and also an action plan for change. It can be used on a one-to-one basis and in small and large groups. It is suitable for age: 9-11. Today is a day I've been dreading for a long time. Sitting here watching the Cincinnati Bengals and the Houston Oilers playoff game out

of the corner of my eye, I realize that I cannot procrastinate the starting of this book any longer. My goal has been to write this book for at least the last fifteen years, but I wanted someone else to do the dirty work. That is just not going to happen. I'm stuck with this mess and it's up to me and me alone. I lived in the rock-and-roll world for more than twenty years as the drummer for some of the most famous people in the business. I've also had the pleasure of sitting in, backing up, and knowing some of the all-time greats. However, I've seen these people from a little different angle than anyone else . . . from center stage, looking at you, the audience. I used to joke and say, "I've seen the back of some of the most famous heads in the world. That's a fact. My musical career started as the drummer with a young singer from Dallas, Texas by the name of Trini Lopez. We were together for almost eight years. That collaboration took me to Los Angeles, California. My recordings with Trini include eight albums, starting with Trini Lopez "LIVE" at P.J.S. It was in L.A. that I hooked up with an Italian kid from Baton Rouge, Louisiana. His name was John Ramistella, better known as Johnny Rivers. During my time with Johnny, I had the incredible opportunity of spending time in Viet Nam in 1966 with Ann-Margret. We are still friends today. Eat your heart out! After the stint with Johnny came perhaps the ultimate musical challenge. I became the drummer with the legendary kid from Hibbing, Minnesota, the spokesman for the world of folk music, Bob Dylan and the group that started out as The Hawks and later became known as The Band. At a recent speaking engagement for a Bob Dylan convention in Manchester, England, I was introduced as the drummer on the greatest rock-and-roll tour in history. The Me I Want to Be by John Ortberg—the bestselling author of *When the Game Is Over, It All Goes Back in the Box*; *God Is Closer Than You Think*; and *The Life You've Always Wanted*—will help you discover spiritual vitality like never before as you learn to “live in the flow of the spirit.” But if God has a perfect vision for your life, why does spiritual growth seem so difficult? John Ortberg has

some intriguing answers to that question, and he has organized his thoughts and God's words into a straightforward and timely guide for living your best life in *The Me I Want to Be*. This book will show how God's perfect vision for you starts with a powerful promise. All those who trust in God "will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit" (Jeremiah 17:7-8). Ortberg urges you to recognize your brokenness, understand that God is the project manager, and follow His directions. The author first helps gauge your spiritual health and measure the gap between where you are now and where God intends you to be. Then he provides detailed tasks and exercises to help you live in the flow of the Spirit, circumventing real-world barriers—pain and sorrow, temptations, self-doubt, sin—to flourish even in a dark and broken world. As you start living in the flow, you will feel: — a deeper connection with God — a growing sense of joy — an honest recognition of your brokenness — less fear, more trust — a growing sense of being “rooted in love” — a deeper sense of purpose God invites you to join Him in crafting an abundant and joy-filled life. *The Me I Want to Be* shows you how to graciously accept His invitation. I am living the single, single, single...life. “Why are you single?”, I’ve been asked. Good question. Yeah. Why am I single? Or, better yet. My favorite question, “You still single?” Ouch! So, I entered the cyber space of dating. “How was your date?”, I’m often asked afterwards. One day, my good friend Cheryl asked me this question and I began to share. There was silence. She was speechless. Finally, she said “You’re kidding?” I laughed. “No, I’m not.” Again, there was silence. “You have to write this stuff down.” No one would believe some of the things I experienced on these dates really happened, but I am here to tell you yes. It really did happen. Honestly and truly it did. "How do you rebuild your life after sexual abuse?...'*The Courage To Be Me*' combines science, storytelling and illustration to send a message of

hope to the millions of people who are living with the impact of rape or sexual abuse."--Back cover.

Ella is the new girl at school. She doesn't know anyone and she doesn't have any friends. And she has a terrible secret. Ella can't believe her luck when Lydia, the most popular girl in school, decides to be her new best friend - but what does Lydia really want? And what does it all have to do with Molly, the quiet, shy girl who won't talk to anyone? A gripping story of lies, friendship, and blackmail... This book is the story of my life. Just a shy Scottish lass, I did well at school. At 21, I was diagnosed with myoclonic epilepsy, prescribed nitrazepam and had to give up teacher training. The next 40 years were marred by depression. After taking early retirement in 2012, my GP suggested I stop taking nitrazepam. This left me extremely ill and bedridden for two years. However, I am now free from epilepsy, depression and prescription drugs for the first time in my adult life. I am looking forward to the rest of my retirement. I hope others will be inspired never to give up. You just never know what might be round the corner. Being a teenager has its ups and downs. Being stuck between childhood and adulthood, its hard to know where to fit in. Its an awkward and insecure time of life. There is the desire for independence coupled with a fear of standing out. Free to Be Me: A Book for Teens and Tweens uses relatable cartoon characters to discuss real issues such as stress, peer pressure, bullying, and teen fears. It also offers constructive ways adults can better support teens. Free to Be Me validates the thoughts and experiences teens face on a day-to-day basis. While individual experiences may differ, the overall issues faced do not. Hopefully, the discussions within the books pages prove helpful not just to teens but also to the adults in their worlds. Did you know that your natural state of being is to feel good? When you are feeling good you are unstoppable! You are a creator! You are limitless! You are divine! This is who you truly are. Learn to be a conscious creator by paying attention to your thoughts, feelings, and visualizations. Know that this is a choice you make. For when you feel worried,

afraid, nervous, or doubtful, it is your true self nudging you to shift your thoughts back to what feels good. Create the life you were meant to live by thinking, feeling, and seeing the true essence of you. You are spectacular! You are grateful. You are peaceful. You are safe. You are secure, and most of all you are empowered to make all your dreams come true. Go ahead, say it, "It feels good to be me!"

Mina Hamilton's parents want her dead. (Or undead to be precise.) They're vampires, and like it or not, Mina must decide whether to become a vampire herself. But Mina's more interested in hanging out with best friend Serena and trying to catch the eye of the too-hot-for-high-school Nathan Able than in the vampire training classes she's being forced to take. How's a girl supposed to find the perfect prom date and pass third-year French when her mom and dad are breathing down her neck--literally?

THE NEW YORK TIMES BESTSELLER! "I had the choice to come back ... or not. I chose to return when I realized that 'heaven' is a state, not a place" In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down—overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks—without a trace of cancer in her body! Within this enhanced e-book, Anita recounts—in words and on video—stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she defied all medical knowledge. In "Dying to Be Me," Anita Freely shares all she has learned about illness, healing, fear, "being love," and the true magnificence of each and every human being! * **INAUGURAL LILLY'S LIBRARY BOOK CLUB PICK FROM LILLY SINGH** * "A beautiful book about a mother and son...I really loved this book."—Rumaan Alam on

The TODAY Show “My first great read of 2022...[Will] make you cringe with recognition and melt with longing.” —Jennifer Weiner “This debut novel about an Indian-American family has all the right ingredients: family secrets, love, sexuality, loss, identity questions and remorse.” —Good Morning America Renu Amin always seemed perfect. But as the one-year anniversary of her husband’s death approaches, she is binge-watching soap operas and simmering with old resentments. She can’t stop wondering if, thirty-five years ago, she chose the wrong life. In Los Angeles, her son, Akash, has everything he ever wanted, but he is haunted by the painful memories he fled a decade ago. When his mother tells him she is selling the family home, Akash returns to Illinois, hoping to finally say goodbye and move on. Together, Renu and Akash pack up the house, retreating further into the secrets that stand between them. Renu sends an innocent Facebook message to the man she almost married, sparking an emotional affair that calls into question everything she thought she knew about herself. Akash slips back into bad habits as he confronts his darkest secrets—including what really happened between him and the first boy who broke his heart. When their pasts catch up to them, Renu and Akash must decide between the lives they left behind and the ones they’ve since created, between making each other happy and setting themselves free. By turns irreverent and tender, filled with the beats of ’90s R&B, *Tell Me How to Be* is about our earliest betrayals and the cost of reconciliation. But most of all, it is the love story of a mother and son each trying to figure out how to be in the world. Does a part of you feel your life choices are not exactly your own choices and you wish to understand why that is the case and what to do about it? And do you wish you could make decisions that are purely based on wanting the best for yourself as opposed to trying to impress other people or live as per the definitions of what other people think/feel is right? If you’ve answered YES, *Let This Book Help You Turn Things Around So You Stop Chasing Acceptance And Conformity With The Masses And Instead*

Pursue And Focus On Your Uniqueness! Are you living your life or are you living someone else's life? The desire to be popular and fashionable is one of the most powerful drivers of human behavior. You probably think that the decisions you make on a day to day basis are your own but the truth is that every choice you make is actually predetermined by your desire to be likeable. This phenomenon ripples out into every facet of your life and has a bigger impact on your life's outcome than you can possibly imagine. Keep reading to learn how your life today is really the outcome of external pressure rather than internal logical decision making. We all have that singular moment in our lives when everything changes forever, this is that moment for you. This book is about to change your life by showing you that contrary to your own expectations, every choice you make isn't actually guided by conscious decision making but rather a strong desire to be popular and fit in. Unfortunately, the desire to fit in has disastrous consequences for your personal life as well as your academic and professional life. If you are ever going to achieve greatness, then you must learn how to drop the fake you and embrace the power of the real you. I have spent years working in the medical field as a nurse. This book isn't just a combination of cold hard facts and statistics. The book is actually a story of my life, struggles and triumphs. My experiences in the medical field have provided me with a unique perspective on life that a lot of people have found to be very useful. I didn't achieve my full potential until I learned how to stop trying to be other people and simply embrace the power of being me. You can learn to do the same thing if you keep reading. This book will teach you... How to stop being a spoilt kid and become a responsible adult What it takes to be a leader boy or leader girl How to overcome depression and anxiety Why humans crave to fit in How human behavior is impacted by deeply held subconscious beliefs Why we crave to connect with other people How to overcome anger issues Read along as we cover insightful topics like: • Working as a single mom • Overcoming

childhood pain • The difference between material wealth and happiness • Self introspection • I can't mentality • Copycat syndrome • Want to be like syndrome · And much more! When you are done reading this book, you will realize that you never really had a clue about who you were. You will be scared by the realization of how much your actions were really just attempts at social conformity but you will be glad to learn how to reach your full potential by embracing the real you. I love to be me is a wonderful selection of thirty-two songs for young children, aged 5 to 9 years and beyond. Channa A. Seidenberg compiled this delightful collection while working with children. The music is composed using a seven-stringed lyre in the pentatonic scale, and it can easily be played using any twelve key instrument. I Love to Be Me is thoroughly illustrated in color, with twenty-four charming watercolor illustrations by Kingsley Lou Little, which help bring the words and music to life. This book is recommended for all parents and teachers of young children. A motivational and inspiring autobiography of a woman touched by grace and transformed by mercy of the Lord. The inspiring story of Oluremi Sosan Omotola will touch your life in deep and maturing levels. She is a real woman, caught up in the web of a real world, and with a real story for this real generation and those to come.
